

AirVAC

HANDHELD WET VAC

40200129

CLEAN. SIMPLE.

The Flo-Dynamics **AirVAC** unit is a fast, easy and less expensive way to clean up spills. Our patented process can vacuum up all kinds of fluids, from anti-freeze to heavy weight hydraulic oils. *(NOT recommended for gasoline).*

SO EASY!

Just connect to shop air, vacuum up the spill, empty into a waste container, done. It's that simple!

- NO** contaminated pellets to dispose of
- NO** rags or pads to dispose of
- NO** daily costs for spill products

Length: 48"

Depth: 10.75"

Nozzle Width: 10"

Tank Diameter: 7"

Fluid Capacity: 1.5 Gallons

Bucket Wheels: 2" Casters

Weight: 8.2 lbs.

P/N: 40400020

U.S.
PATENTED
