DYNAMICS®**

Discover the  
Simplicity of  
Dipstick Mode!

# TSD440

## TRANSMISSION FLUID DIPSTICK X-CHANGER

- Faster fluid exchanges—12 quarts in 8 minutes
- Individual add & remove fluid buttons
- Perform more services and generate more revenue than with traditional ATF exchange equipment
- Easy to use—no tools required
- Large 2.5 gallon per minute pump ensures rapid exchanges
- Superior filtration for longer machine life and less downtime
- Portable, fully interactive. Works with vehicle's 12-volt battery for easy fluid exchanges

# Many **Advanced** Features Make the TSD440 Fluid X-changer a **Profitable** Investment.

## STATE-OF-THE-ART DESIGN

- Proven, accurate fluid measurement (+/-3%).
- Exchange 3-20 quarts with select plus feature
- Easy two step automatic operation
- Two in-line 22-micron absolute fluid filters capture microscopic particles and contaminants
- Clear service hoses give visual confirmation of new and used fluid movements
- LED Service Indicators
- Ergonomically correct working height means greater productivity, less stress and strain.
- Durable roto-cast polyethylene body and tanks prevent vehicle damage. The unit is also lightweight and durable, for easier handling and longer life.
- Locking front casters

## PERFORMANCE-DRIVEN BENEFITS

- Individual add and remove fluid buttons
- Faster fluid exchanges—12 quarts in 8 minutes
- Requires no pit, lift, ramp or auxiliary power supply, and utilizes vehicle's 12-volt battery, so it can be used anywhere.
- 2.5 gallon per minute pump ensures rapid exchanges.

## AUTOMATIC TRANSMISSION FLUID EXCHANGE BENEFITS

- Completes fluid exchange in minutes.
- Remove fluid feature allows easier & cleaner removal of pan for filter change when necessary.
- Waste fluid is drained at the touch of a button. So there's no need to turn the machine upside down. Less effort and downtime mean greater efficiency.

## FEATURES

- Roto-cast polyethylene body and tanks
- Fully interactive control panel
- Ergonomically correct working height
- 5-inch locking caster wheels
- Clear service hoses
- Easy-access service panel

## Specifications:

- Dimensions: 39"H x 24 3/4"W x 25"D
- Shipping Weight: 95 lbs.
- Fluid Tanks: 24qt. New & Waste
- Power: 12V DC from vehicle's battery

Fully interactive control panel provides easier operation with closer monitoring for greater efficiency, control and cost savings.
